Careers Programme Overview
2026-2027 Brockington College

Vision Statement

The progressive careers programme at Brockington College **'Full lives, limitless futures'** reflects the school mission '*learning to live life to the full*'. Our vision is to enable all students to flourish and reach their full potential by developing knowledge, skills and behaviours, that prepare them for success in their next steps. They will be encouraged to explore interests, develop talents and work hard towards inspiring futures.
