Brockington College Uniform Policy

1. Introduction

- 1.1 Brockington College, a Church of England Academy, has at its heart a distinctive Christian ethos. Based on our Christian foundation and values we seek to promote a culture of developing every person and therefore every school policy is written from this perspective, with a commitment to learning and maturing in the context of communal and individual development.
- 1.2 We lay particular stress on the Christian values of compassion, forgiveness, justice, koinonia, learning, perseverance, respect and wisdom for individuals and across the school community.

2. School uniform

- 2.1 The policy on school uniform must be followed by all students. If in doubt as to the appropriateness of uniform items, please contact the college for advice. 3.2 If for any reason your child does not have their kit or has a medical note explaining that they are unable to take part in the lesson, we are unable to make alternative provision. Our policy is similar to most secondary schools in that pupils who are not able to do PE are expected to join the PE group listening to the theory aspects and helping with duties as instructed by the teacher. **This is also the same policy for outdoor lessons.**

- 3.3 **All students are expected to change into PE kit even if they are not taking part for a medical reason.** It is therefore important that students have a coat and warm clothing to observe the lesson if they are outdoors.
- 3.4 If your child has a medical reason for not participating practically in a PE lesson, please e-mail the relevant PE teacher with the medical reason why the student cannot participate.
- 3.5 If your child has a medical condition that is likely to last for several weeks, please contact your child's PE teacher to explore arrangements that can be made in such exceptional circumstances.

5.2 Uniform checks

All members of staff are responsible for checking the uniform of students and for applying the uniform policy as described in this document. In order to support the policy, form tutors will check uniform at the start of each day. We will provide students with uniform to borrow for the day in cases where the student is not in full uniform.

5.3 Non-compliance

Breaches of uniform policy will be viewed as persistent breach of college rules. Sanctions will be issued in line with our Behaviour Routines and Standards Policy.
