

8 January 2026

Dear Parents/Carers,

With the forecast currently suggesting the possibility of heavy snowfall on Thursday evening into Friday morning, we wanted to remind you of our adverse weather procedures.

If the school needs to close:

- We will aim to send a text message by 7:00am on Friday morning.
- This information will also be available on our website and social media channels.
- If you receive a closure message, please do not travel to school as the site will be closed.

If the school remains open:

- We will aim to confirm this by 7:00am via text message.
- We will also check with bus companies and confirm whether services are running.
- Please only travel if it is safe to do so.
- If your child is unable to attend, please follow normal absence procedures.

We'll keep you informed, so please check your messages and emails on Friday morning for the latest update.

Thank you for your support in helping us keep everyone safe.

Kind regards

Jon Barton
Acting Principal
