

January 2026

Dear Parents/Carers

Re: Year 9 Options Process – Options Booklet and Evening

I am pleased to say that our Year 9 options information booklet has now been finalised and may be accessed by following this link to [our website](#). The booklet contains a lot of information about the options process itself, career choices, and an outline of different subjects. I would encourage families to take time to read through the information carefully in advance of the Options Information Evening; please be aware that the online options form will not be accessible until after this event.

I would also like to remind all families that our Options Information Evening will take place on **Thursday 29 January 2026 from 6:00pm**. This will be a live online event and will feature presentations about the options process and careers guidance followed by a question-and-answer session. It is important for families to attend if at all possible, and for students to be present, so that you have the opportunity to hear all the information you need and answer any questions you might have. In order to access the online feed, please use the following link: [Brockington Year 9 Options Information Evening | Meeting-Join | Microsoft Teams](#)

If you have any questions in advance of the information evening, please do not hesitate to contact me at college.

Yours sincerely

Jon Barton
Principal
