

March 2026

Dear Parents and Carers,

Re: Easter Egg donations

As we approach the Easter season and reflect on the themes of new life and hope that it brings, we are once again beginning our annual collection of Easter Eggs.

We will be collecting donations up until the Easter break, at which point they will be delivered to the charity **Rachel's Table**, a small local charity dedicated to helping homeless and vulnerable families across Leicester and Leicestershire. Rachel from Rachel's Table was delighted when we offered to run the collection again this year. She expressed how deeply appreciative both the charity and the families are for the generosity shown by Brockington families.

If you would like to contribute, please send donations in with your child or drop them off at school reception by **Thursday 26 March 2026**.

Thank you, as always, for your support and kindness.

Yours sincerely

Jon Barton
Principal
