Candidate consent form Information for candidates

ACCESS TO SCRIPTS

This is a service where exam boards provide a copy of your original exam paper. **The deadline for Access to Scripts is Wednesday 23rd September 2026.** To request a copy of an exam paper please email your request to: exams@brockington.embracemat.org. **Please note consent can only be accepted from the candidate, it cannot be from a parent/carer.**

REVIEW OF RESULTS

The following information explains what may happen following a review about a result.

Should you have any queries regarding your examination results you must contact and discuss this with your subject teacher or Head of Department. If you wish to make a review about a result, (review of the original marking) there are three possible outcomes:

- Your original mark is confirmed as correct, and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.
- Your original mark is lowered, so your final grade may be lower than the original grade you received.

The post-result services available for the summer 2026 exam series are shown overleaf together with the relevant fees. The costs are for **individual** exam papers therefore it is essential to discuss your individual results for each paper sat with your subject teacher. **The deadline for this is Wednesday 23rd September 2026.**

***Please note it is not possible to request an individual review of your non-examined assessment. Please speak to your subject teacher if you have any queries.**

In order to proceed with the review of results, **you** must sign the form below and make a payment for the service requested by the deadlines shown overleaf and marked F.A.O. Mrs Warner the Exams Officer. This form tells the Principal of Brockington College that you have understood what the outcome might be and that you give your consent to the enquiry about results or access to scripts being made.
